In order to maintain membership in the Market, each member is required to follow the Rules in good faith. ‘Good standing’ requires that each member adhere to the Member Contract and abide by the Rules and By-Laws of the Market. **Rules are subject to change based on Covid 19.** Members who violate the Member Contract, the Rules or By-Laws, may be subject to sanction, including the potential of not being sited at their desired site, financial penalty, or revocation of Market membership. Any concerns should be brought to the attention of the Market Manager or the BAFM Board. Any decision as to a sanction shall be determined at the discretion of the Board. ‘Not in Good standing’ is determined on a case-by-case basis by a majority vote by the Board. Members who are found to be ‘not in good standing’ will be notified directly by the Board.

## G Reserved Site Assignment Rules for Saturday Vendors

### 1) General Rules for Siting Protocol

- a) The Board has, in its discretion, the final authority on all site placements.
- b) In advance of Site Day, the Board will review all applications in March or early April;
- c) Half-season vendors may not necessarily receive the same half-season site from year to year.
- d) A vendor may take a pre-approved leave of absence for one year and will retain their space upon return.
- e) The new vendor who takes that space for the one-year leave is not guaranteed a return to that space.

### 2) Procedures for Returning Vendors

- a) Returning members who wish to remain in their previous year's site, with no changes to any aspect of the site, will indicate this on their application. The Reserved Siting Committee will mark your site.
- b) Any returning member who wishes to make a change regarding location, footage, or switch from half season to full or full to half will indicate this on their application. This member will be placed in the 'un-sited pool.'
- c) The 'un-sited pool' represents all unreserved spaces. Returning vendors in the 'un-sited pool' will have priority over new members in requesting siting. Years at market will determine the order of siting of these returning vendors, including half-season members.
- d) The Board and the Siting Committee will take into consideration all requests and make determinations based on spacing and feasibility.

### 3) Procedures for New Vendors

- a) New Members to the market will indicate their requested site footage on the application.
- b) New Members will be placed in the 'un-sited pool' and will be sited after all returning members. A lottery will determine the order of siting the new vendors.

## H Reserved Site Attendance

- 1) Reserved sites are a mutual commitment between the market and a vendor.
- 2) Full-season, reserved site, Saturday Market vendors are expected to attend all weekly markets *but* may miss up to 6 markets with proper advance notification to the Manager. If a member misses a Market without proper notification to the Manager, this absence will count as two Markets missed.
- 3) Half season vendors are expected to attend all markets during their half season, but may miss up to 3 markets with proper advance notification to the Manager.
- 4) Members who incur more absences than allowed will not be in good standing and will lose their reserved site status for the following year. Members may appeal this standing.
- 5) If a reserved site vendor plans to miss a market, they must inform the Manager *by the Wednesday immediately* prior to the Market by 9 PM. The phone number for the market Manager is 802-254-8885 and the email address is

farmersmarket05301@gmail.com. The rights of the space for that week will revert back to the market. If a reserved site vendor is absent for any market, the Market Manager is charged with offering those reserved sites to daily vendors as space allows.

#### I Cooperating Members

- 1) Separate member vendors may cooperate by sharing one structure. This means that two vendors reserve one site and one shelter, share **the reserved site** fee, and determine how they will divide their spaces. Cooperating Vendors are jointly responsible for the total fee.
- 2) Each Cooperating Vendor is responsible for submitting their own membership fee and commission and fulfilling all membership obligations including attendance and work hours.
- 3) Both Cooperating Vendors agree to attend the market for the same period of time — committing together as either full season vendors or for the same half season (1<sup>st</sup> or 2<sup>nd</sup> half).
- 4) Cooperating Vendors shall mutually select a designated payer for the site fee and structure deposit and report this information to the market Manager.
- 5) To determine the order of site selection, the reserved site committee will average years at market of the two vendors.

#### J Schedules and Fees

- 1) The **2023** Market will run from Saturday, **May 6 to Saturday, October 28, 2023.**
- 2) Half season vendors will vend (1<sup>st</sup> half) **from May 6-July 29** and (2<sup>nd</sup> half) from **August 5 to October 28.**
- 3) Work Deposit (\$200) is due on site day. Clean Site deposit (\$100) is also due on site day, payable to BAFM and given to the Treasurer. If all obligations are met, the clean site and work deposit checks will be destroyed unless a return is requested with a SASE (self-addressed stamped envelope). The actual work hour fee that will be returned will be prorated based on hours worked.
- 4) A commission of 4% is paid and income reported on the value of all goods passing from vendor to customer, including pre-orders. Commissions and site fees may be paid via cash, check, Venmo, tokens, Crop Cash, or Farm to Family coupons.
- 5) All vendors must complete and submit to the Manager an accurate sales report with their name on it and commission by 2:30pm each Saturday. This information is used to track market trends and will be held in confidence. Fees paid in cash may be rounded up, but not down. The manager is not responsible for providing yearly records to vendors. Site Fees are described below in Section V. for each category of market.
- 6) No refunds will be given except in extenuating circumstances, at the discretion and approval of the board.
- 7) The Board will also consider extenuating circumstances with regard to the schedule of fee payments.

8) Those who pay their fees in full on Site Day will receive a 2% reduction in the total fee.
